Constitution.

Preamble.

WHEREAS, In the Providence of God, victory having crowned the forces of the United States of America in upholding the principles of the Nation against Great Britain in the conflict known as the War of 1812; we, the survivors and descendants of those who participated in that contest, have joined together to perpetuate its memories and victories, to collect and secure for preservation, rolls, records, books and other documents relating to that period; to encourage research and publication of historical data, including memorials of patriots of that era in our National history; to care for and, when necessary, assist in burying actual veterans of that struggle; to cherish, maintain and extend the institutions of American freedom, and foster true patriotism and love of country.

ARTICLE I.

NAME.

This Society shall be known as the "General Society of the War of 1812."

ARTICLE II.

ORGANIZATION.

The General Society shall be composed of State Societies, which shall meet annually, on the day appointed therefor in their respective by-laws, and oftener if they shall deem it necessary.

The State Societies shall choose annually such officers for their own government and in such manner as shall be set forth in their respective by-laws, and shall transmit annually to the General Society a list of the officers so chosen for the year and such other information as may be of interest to the Society at large. Each State Society shall conform in the

character of its officials to those of the General Society, and shall regulate all matters respecting its own affairs, and shall judge of the qualifications of members therein. *Provided, always,* That the action of such State Society be, in all cases, in conformity with the provisions of this Constitution.

ARTICLE III.

OFFICERS AND EXECUTIVE COMMITTEE.

The officers of the General Society shall consist of a President-General, a Vice-President-General for each State Society represented, a Secretary-General and Assistant Secretary-General, a Treasurer-General and Assistant Treasurer-General, a Registrar-General, a Surgeon-General, a Judge-Advocate-General and a Chaplain-General. They shall be chosen by ballot at the regular meeting of the Society, by and from members in good standing, and shall serve until the next regular meeting or until their successors are duly chosen.

There shall be an Executive Committee, consisting of the officers of the General Society and a delegate from each State Society, to be chosen by ballot at the regular meeting of the General Society, upon selection by the respective State delegation hereinafter provided for. It shall be the duty of said Committee, nine (9) members of which shall constitute a quorum, to supervise the affairs of the General Society, as well as the admission of State Societies, and transact such other business as may come before it. The said Committee shall meet in the City of Philadelphia, in the State of Pennsylvania, once in every six (6) months, during the time intervening between the meetings and subject to the approval of the General Society.

ARTICLE IV.

MEETINGS.

The regular meeting of the General Society shall be held every second year, on or about the nineteenth day of June, being the anniversary of the declaration of war by the United States against Great Britain, and special meetings may be held upon the order of the President-General, or upon the request of two (2) State Societies.

Such meetings shall consist of the officers of the General Society, each of whom shall be entitled to one vote and a representation not exceeding five

(5) delegates from each State Society (one of whom shall be the delegate to the Executive Committee of the General Society), which representation from each State Society shall be entitled to five (5) votes.

At each meeting of the General Society, the time and place of which shall have been determined upon at the preceding meeting of the Society, the circular letters and other communications sent by the State Societies shall be considered, and where questions in dispute may be referred to it, the General Society shall have power to act thereon.

ARTICLE V.

FORMATION OF STATE SOCIETIES.

The General Society shall be located in the City of Philadelphia, in the State of Pennsylvania.

The Executive Committee thereof shall have the right at any of its meetings to warrant, constitute and recognize one State Society in any State or Territory of the United States, whenever ten (10) or more persons who are already members or are eligible to membership in this Society, and residing in said State or Territory, shall apply for authority to organize such Society, or where such Society may already be formed and is approved by this Society.

The style and title of each State Society shall be as follows: "The Society of the War of 1812, in the State of....."

The members of each such State Society shall be borne upon the membership roll of the General Society.

ARTICLE VI.

MEMBERSHIP.

Any male person above the age of twenty-one (21) years, who participated in, or who is a lineal descendant of one who served during the War of 1812, in the army, navy, revenue-marine, or privateer service of the United States, offering proof thereof satisfactory to the State Society to which he may make application for membership, and who is of good moral character and reputation, may become a member of this Society when approved of by said State Society, under such regulations as it may make for passing upon applications for membership.

In case of the failure of lineal descendants of an actual participant in the War on behalf of the United States, one collateral descendant, who is deemed worthy, may be admitted to represent the said participant.

Provided, always, That such representation shall be limited to the descendant of either a brother or sister of the participant in the War, in right of whose services application for membership is made.

Every application for membership shall be made in writing, upon such form as may be set forth by this Society for that purpose; which application shall be made in duplicate, and one copy thereof filed in the archives of the General Society.

A member in good standing may file one or more supplemental applications, based upon the services in the War of 1812 of either his direct ancestor or of one collateral, who failed to leave lineal descendants, which supplemental application shall be balloted upon in the same manner and with the same effect as upon original applications.

No State Society shall elect to membership persons resident within the territory of another State Society, except upon the written consent given in advance by the Board of Directors of the latter Society. But members changing residence from one State to another, or coming within the jurisdiction of a new State Society, may, at their option, retain membership in the State Society in which they were originally admitted or to which they may have been transferred.

A member of any State Society may be admitted to membership by action of the Board of Directors of another State Society within the bounds of which he is resident upon satisfactory proof of his membership and good standing in the Society from which he comes and subject to the rules and regulations of the Society he enters; and thereupon his membership in the first Society shall terminate.

An initiation fee shall not be twice required.

ARTICLE VII.

TRANSMISSION OF LISTS OF MEMBERS AND DUES FROM STATE SOCIETIES.

The Secretary of each State Society shall transmit to the Secretary of the General Society a list of the members thereof, together with a list of those from whom said members derive claim to membership, and thereafter,

upon the admission of additional members, the Secretary thereof shall transmit to the General Society such similar information respecting said members.

Each State Society shall pay into the treasury of this Society an entrance fee of ten dollars, and remit annually thereafter the sum of twenty-five cents for each and every member in good standing on the rolls of such State Society, so reported on January first of each year.

ARTICLE VIII.

INSIGNIA.

The insignia of the Society shall consist of a badge of gold, pendant from a ribbon. Said badge shall be in the form of a Maltese cross (emblematic of faith in the justice of our cause), between four (4) golden eagles (symbolizing the four sections—north, south, east, and west—of our common country), and resting upon an anchor of gold (representative of the American Navy, by which so many glorious victories of the War of 1812 were achieved). The arms of the cross to be enameled in scarlet with a white border and to bear the insignia, in gold, of the four (4) arms of service (infantry, cavalry, artillery, and naval), and in the centre thereof a medallion of dark blue enamel, with the figures 1812 thereon in gold, surrounded by a band of black enamel, bearing eighteen (18) stars in gold, representing the number of States of the Union during the period of conflict. The reverse of said insignia to bear in the centre of the cross a wreath of oak leaves in gold, one-half inch in diameter, surrounded by rays, and in conformity with the design submitted to the General Society. The anchor and cross to be suspended from the ribbon by a ring of gold.

The ribbon shall be of watered silk, dark blue in the centre, with white and black stripes on the sides successively, and edged with scarlet; the entire ribbon to be one and one-half inches in width and the same dimensions in displayed length.

The insignia shall be worn on the left breast by the members of the Society at all general meetings, on all occasions of ceremony, or when they shall assemble for any stated purpose or celebration. Officers and past officers of the General Society and of the State Societies may wear the insignia suspended from a neck ribbon. On all other occasions, other than those specified above, members may wear a rosette of the prescribed ribbon and pattern in the upper buttonhole of the left lapel of the coat, which

rosettes, like the insignia, shall be procured and issued by the Secretary-General of the Society, by whom a record of all such issues to members will be kept. The insignia shall never be worn as an article of jewelry or ornament, and should be returned to the Society on the resignation or expulsion of a member, but otherwise it shall be deemed an heirloom.

The custodian of the insignia shall be the Secretary-General, who shall issue the same to members of the State Societies under such rules as may be formulated by the General Society.

ARTICLE IX.

SEAL.

The seal of the Society shall be two and one-half inches in diameter, and shall consist of an eagle displayed in the centre of the seal, holding in his talons the American flag of the period (of fifteen stars), with rays of a rising sun above, and wreaths of oak and laurel (emblematic of the valor and victory of our soldiers and sailors), with trophies of cannon, musket, sword and anchor, below. The motto of the Society, "For our Country's Rights," to be placed above the sun's rays in small Roman capital letters, and the whole to be encircled with a ribbon one-fourth of an inch wide, bearing, in plain Roman capital letters, the legend, "General Society of the War of 1812. Founded 1814." The seal to be in conformity with the design submitted to the General Society. The Secretary-General shall be the custodian of the seal, which shall be used only for the purposes designated by the Society.

ARTICLE X.

CERTIFICATE OF MEMBERSHIP.

Each member of the Society shall be entitled to a certificate of membership, which shall be signed by the President, Secretary, and Registrar of the State Society to which he may belong, as well as by the President-General, Secretary-General, and Registrar-General of the General Society, and to which the seal of the Society shall be affixed.
